Alexandria, VA 22313-1450

Sir:

Pursuant to 37CFR1.142 and in response to the Office Action in which Examiner Chan required election of either Group I claims 1-7 and 33-34 drawn to a method of applying an image or Group II claims 8-32 drawn to a heat transfer kit, which was mailed on May 9, 2005, Applicant hereby elects the claims of Group I, claims 1-7 and 33-34 for further prosecution. This election is made **with traverse** as it is respectfully submitted that the searches clearly overlap and that little, if any, additional burden is placed on the examination by including the claims of Group I and Group II.
